4. BOLINAS LAGOON NORTH END PROJECT CONCEPTUAL DESIGNS

Staff and the consultants gave a presentation summarizing the Site Conditions Report for the Bolinas Lagoon North End Restoration Project and provided a description of possible elements that Marin County Parks will consider as part of the project. Advisory Council members discussed signage on the project site, other lagoon restoration priorities, eucalyptus trees, and sea level rise. After the formal presentation, staff invited the advisory council and members of the public to speak with subject experts sitting at tables around the room, and asked them to offer comments regarding elements that the consultants could consider as part of the conceptual designs.

Gordon White absent at 2:10 p.m.

The council adjourned the meeting at 3:18 p.m.
